Notes to Interim Financial Statement

1. Above Financial Statements are prepared in accordance with the Nepal Financial Reporting Standards (NFRS) including directives issued by Nepal Rastra Bank.
2. These figures may vary with the audited figures at the instance of external auditor and regulator.
3. Previous Quarter Ending Figures have been regrouped and rearranged wherever necessary which might vary from previous quarter published figures.
4. Loans and advances to customers include Loan to customers and Loan to Employees which have been measured at amortized cost.
5. The provision for Defined benefit obligation and leave are based on Management Assumption.
6. Personnel expenses include employee bonus provision and amortization of the deferred employee benefits of subsidized loans provided as per Employee Service Bylaw of the bank.
7. NFRS adjustments which are subject to regulatory adjustments as per NRB directives have been shown as regulatory adjustments.
8. Other Comprehensive income includes the fair value changes of Investment and actuarial gain /(losses) net of tax.
9. Recognition of interest income has been based upon NRB NFRS 9 ECL Related Guidelines, 2024 and Guidance Note on Interest Income Recognition, 2025
10. Following regulatory backstop as mentioned in Clause 16 of "NFRS 9- Expected Credit Loss Related Guidelines, 2024" bank has recognized impairment on credit exposures as the HIGHER of total ECL calculated as per NFRS 9 and existing regulatory provisions as mentioned in NRB Unified Directives no 02.
11. The detailed interim report has been published in the bank's website www.nepalbank.com.np.

Disclosure as per Securities Registration and Issuance Regulation, 2073

(Related to sub-Rule (1) of Rule 26)
Quarterly Detail as of Poush end 2082 (January 14, 2026)

1. Financial Statements

A. Statement of Financial Position and Statement of Profit or Loss
Published along with this report.

B. Related Party Disclosure
Nepal Government holds 51% shares in the bank and has representation on the board of directors of the bank and hence it is considered to be a related party to the bank.
The directors, chief executive officer and other key management personnel are also considered to be related parties to the bank. No transaction between the bank and KMPs was observed other than as prescribed under the Employee Service Bylaw of the bank.

C. Major Financial Highlights

a.	Earnings per Share (Annualized)	NPR 17.76	d.	Liquidity	39.13 %
b.	Market Value per Share	NPR 241	e.	Return on Assets	0.63 %
c.	Price Earnings Ratio	13.57 (Times)	f.	Net worth per Share	NPR 262.43

2. Management Analysis

- The bank has been able to maintain Net Interest Income at similar level despite reduction in interest income.
- Despite being profitable, retained earnings are negative due to statutory and regulatory adjustments.
- The liquidity of the bank is sufficient to meet the lending opportunities. However, low credit demand due to stagnation in the economy has impacted overall banking industry and is a matter of great concern.
- The objective of business diversification and improvement in qualitative services covering remote area branches has resulted in banking access and financial inclusiveness along with customer-friendly services nationwide as per the need of time and client.
- The bank is constantly improving its IT infrastructure to allow automated transactions through digital channels and make the bank more competitive.
- The bank has prepared a robust risk management and AML/CFT policy as per international norms and is implementing them thoroughly.

3. Detail relating to legal action

Except in the regular course of business, there are no lawsuits of material nature filed by or filed against the bank. No notice and information have been received by the bank to date regarding any cases filed for and against promoters/directors/on account of violation of prevailing laws or commission of criminal offenses or financial crime.

4. Analysis of share transactions and progress of the bank

a. Management view on share transactions of the bank in the securities market –
Share transaction of the bank takes place in the secondary market of the Nepal Stock Exchange through open share market operation. Management view on this is neutral. Transaction volume has decreased in comparison to immediately preceding quarter.

b. Maximum, minimum, and last share price of the bank, including total number of shares traded and days of transaction during the quarter

Maximum Price: NPR 257 Minimum Price: NPR 235 Last Price: NPR 241
Transaction volume: 2,392,656 shares Days of transaction: 55

5. Problems and Challenges

Internal

- Non-performing loan and its management.
- Increased operational cost.
- Retention of qualified and skilled human resources.
- Risk Management of increasing digitization and digital products.

External

- Concern on world economy growth amidst Russia-Ukraine war and Global Tariff War.
- Decline in growth of Construction and Production sector.
- High Liquidity in Banking Sector.
- Difficulty in lending due to economic stagnation and low government spending.
- Regulated interest spread squeezing the margin.
- Stiff competition from other Bank and Financial Institutions.

Strategy

- Focus on controlled business growth and profit management.
- Digitize the banking services to increase operating efficiency and continue to introduce new banking products.
- Explore new sectors for the non-interest income of the bank.
- Focus on Prudent Assets and Liability Management of the bank.
- Maintain effectiveness in customer service and dealings with simplified processes.
- Focus on Risk Management and Internal Control along with compliance of applicable Rules and Regulations.

6. Corporate Governance

The Board of the bank is the apex body that is responsible and accountable to the shareholders for the maintenance of good governance in the bank.

The Risk Management Committee, which is a sub-committee of the Board, is entrusted to review the overall risks of the bank and recommend the Board and management for policy prescription when required. The Sub-committee meets regularly as and when required.

The Audit Committee, which is a sub-committee of the Board, reviews the audit reports of all the branches and departments/divisions of the bank and gives feedback to the Board and the Senior Management.

The Employee Service Facility Committee, which is a sub-committee of the Board, reviews the facilities and services of the staffs of bank and gives feedback to the Board and the Senior Management.

The Executive Credit Committee of the bank is the CEO-level committee comprising the senior executive representing various business functions of the bank to approve, review, and monitor the credit portfolio of the bank. This committee also recommends the credit-related proposal to the Board for approval.

The ALM Committee, which is led by the CEO, is responsible for the prudent management of the Financials of the bank. It reviews interest rate risk, liquidity risk, and market risk of the bank regularly.

The AML Committee is the committee formed under the board of directors of the bank to monitor and review the AML/CFT and CPF Activities of the Bank.

The Governance Division, which is headed by Senior Manager, is responsible for monitoring the governance in the bank and report to the Board and concerned regulatory bodies.

7. Declaration by the Chief Executive Officer on the Truthfulness and Accuracy of information

I, as at the date, hereby individually accept responsibility for the accuracy of the information and details contained in this report. I also hereby declare that to the best of my knowledge and belief, the information contained in this report is true, accurate, and complete, and there are no other matters concealed, the omission of which shall adversely affect the informed investment decision by the investors.
