Notes to Interim Financial Statement

1. Above Financial Statements are prepared in accordance with the Nepal Financial Reporting Standards (NFRS) including directives issued by Nepal Rastra Bank.
2. These figures may vary with the audited figures at the instance of external auditor and regulator.
3. Previous Quarter Ending Figures have been regrouped and rearranged wherever necessary which might vary from previous quarter published figures.
4. Loans and advances to customers include Loan to customers and Loan to Employees which have been measured at amortized cost.
5. The provision for Defined benefit obligation and leave are based on Management Assumption.
6. Personnel expenses include employee bonus provision and amortization of the deferred employee benefits of subsidized loans provided as per Employee Service Bylaw of the bank.
7. NFRS adjustments which are subject to regulatory adjustments as per NRB directives have been shown as regulatory adjustments.
8. Other Comprehensive income includes the fair value changes of Investment and actuarial gain /(losses) net of tax.
9. Recognition of interest income has been based upon NFRS 9 ECL Related Guidelines, 2024 and Guidance Note on Interest Income Recognition, 2025 issued by NRB.
10. Following regulatory backstop as mentioned in Clause 16 of "NFRS 9- Expected Credit Loss Related Guidelines, 2024" bank has recognized impairment on credit exposures as the HIGHER of total ECL calculated as per NFRS 9 and existing regulatory provisions as mentioned in NRB Unified Directives no 02.
11. **The detailed interim report has been published in the bank's website www.nepalbank.com.np.**

Disclosure as per Securities Registration and Issuance Regulation, 2073

(Related to sub-Rule (1) of Rule 26)

Quarterly Detail as of Chaitra end 2082 (April 13, 2026)

1. Financial Statements

A. Statement of Financial Position and Statement of Profit or Loss

Published along with this report.

B. Related Party Disclosure

Nepal Government holds 51% shares and has representation on the board of directors of the bank and hence it is considered to be a related party to the bank.

Directors, Chief Executive Officer and other Key Management Personnel (KMP) are also considered to be related parties to the bank. No transaction between the bank and KMPs was observed other than prescribed under the Employee Service Bylaw of the bank.

C. Major Financial Highlights

a.	Earnings per Share (Annualized)	NPR 25.34	d.	Liquidity	41.03 %
b.	Market Value per Share	NPR 278	e.	Return on Assets	0.88 %
c.	Price Earnings Ratio	(Times) 10.97	f.	Net worth per Share	NPR 272.79

2. Management Analysis

- Net Interest Income has increased in comparison to corresponding quarter of previous year despite reduction in interest income.
- Net profit has increased in comparison to corresponding quarter of previous year with the reversal of impairment charges.
- The liquidity is sufficient to meet the lending opportunities. However, low credit demand in the economy has significant impact on overall banking industry.
- The bank aims to achieve the objectives of business growth and profitability through enhanced customer service, business diversification, digitization and deposit mobilization along with promoting financial inclusion.
- The bank is constantly adopting digital channels and IT infrastructure to allow automated transactions.
- The bank has robust risk management and AML/CFT policy in implementation as per international norms.

3. Detail relating to legal action

Except in the regular course of business, there are no lawsuits of material nature filed by or filed against the bank. No notice and information have been received by the bank to date regarding any cases filed for and against promoters/ directors/on account of violation of prevailing laws or commission of criminal offenses or financial crime.

4. Analysis of share transactions and progress of the bank

a. Management view on share transactions of the bank in the securities market –
Share transaction of the bank takes place in the secondary market of the Nepal Stock Exchange through open share market operation. Management view on this is neutral. Transaction volume has increased in comparison to immediately preceding quarter.

b. Maximum, minimum, and last share price of the bank, including total number of shares traded and days of transaction during the quarter.
Maximum Price: NPR 302.9 — Minimum Price: NPR 237 — Last Price: NPR 278
Transaction volume: 83,03,248 shares — Days of transaction: 53

5. Problems and Challenges

Internal

- Non-performing loan and its management.
- Increased operational cost.
- Retention of qualified and skilled human resources.
- Risk Management of increasing digitization and digital products.

External

- Concern on world economic growth and supply chain disruption amidst Russia-Ukraine and West Asia unrest.
- Decline in growth of Construction and Productive sector.
- High Liquidity in Banking Sector.
- Difficulty in lending due to economic slowdown and low capital expenditure of Government.
- Stiff competition among Bank and Financial Institutions.

Strategy

- Focus on controlled business growth and profit management.
- Digitize the banking services to increase operational efficiency.
- Explore new sectors to increase non-interest income.
- Focus on Prudent Assets and Liability Management.
- Ensure effective customer service with simplified processes.
- Focus on Risk Management and Internal Control.
- Compliance of applicable Rules and Regulations.

6. Corporate Governance

The Board of the bank is responsible and accountable to the shareholders for ensuring good governance in the bank.

The Risk Management Committee, a committee of the Board, is entrusted to review the overall risks of the bank and recommend the Board for required policy prescription. The meeting of the committee is held at least once in every three months.

The Audit Committee, a committee of the Board, reviews bank's financial position, internal control effectiveness, remarks of internal/external audit/NRB inspection/supervision and gives necessary direction to management and suggestion to the Board.

The Employee Service Facility Committee, a committee of the Board, reviews the facilities and services of the staffs of bank and gives feedback to the Board.

The Anti-Money Laundering (AML) Committee, a committee of the Board, monitors and reviews the AML/CFT and CPF activities of the Bank.

CEO-Level Executive Credit Committee, comprising senior management and head of various business functions of the bank, reviews and monitors the credit portfolio of the bank. The committee also recommends the credit-related proposals to the competent authority.

The Assets and Liability Management Committee (ALCO) is responsible for the prudent risk management. It reviews interest rate risk, liquidity risk, and market risk of the bank regularly.

The Governance Division is responsible for monitoring the governance in the bank and report to the Board and concerned regulatory bodies.

7. Declaration by the Chief Executive Officer on the Truthfulness and Accuracy of information

I, as at the date, hereby individually accept responsibility for the accuracy of the information and details contained in this report. I also hereby declare that to the best of my knowledge and belief, the information contained in this report is true, accurate, and complete, and there are no other matters concealed, the omission of which shall adversely affect the informed investment decision by the investors.
