2. Management Analysis:

(a) Bank's capital and liquidity position continues to be strong.

(b) Income momentum for the current period over corresponding period of last year has marginally declined owing to muted credit momentum, declining yields, and Stage 3 Assets interest income recognition. Bank has continued its effort to optimize balance sheet and returns. Quality of Balance sheet remains robust and NPL% has improved QoQ.

(c) The liquidity supply in the system has been abundant during the quarter. There is ample lendable headroom in the market at the prevailing level of CD ratio and deposit rates are decreasing. Overall lending rates are falling gradually in line with reduced Base Rate of the Bank. ALCO has been actively managing liquidity and interest rate risks in the Balance Sheet.

(d) The Bank follows prudent approach in its business plans to protect all stakeholders' value and ensure consistent sustainable performance.

3. Legal proceeding details

(a) Case filed by or filed against the Bank during the quarter:
Except for the lawsuits in normal course of banking business there are no material cases filed by or against the Bank.

(b) Case relating to disobedience of prevailing law or commission of criminal offence filed by or against the Promoter or Director of Organized Institution:
No such information has been received.

(c) Case relating to commission of financial crime filed against any Promoter or Director.
No such information has been received.

4. Analysis of share transaction and progress of Organized Institution

(a) Management view on share transaction happened at Securities Market.
Since price and transactions of the Bank's shares are determined by the open share market operations through a duly established Stock Exchange, management view on this is neutral.

(b) Maximum, minimum and last share price including total number of shares traded and transacted days during this quarter:
Maximum- NPR 679.90, Minimum- NPR 597.10, Closing- NPR 656.10, Total number of shares traded 1,285,501 and Transacted days 63.

5. PROBLEMS AND CHALLENGES:

INTERNAL

1. For the better management of RWA, focus on the growth of non-interest income
2. For better management of Loan Impairment, continue focus on robust risk management
3. Due to increasing operational costs, place continuous focus on operational efficiency

EXTERNAL

1. Net Interest Spread
2. Surplus liquidity in the industry and limited deployment opportunities

STRATEGY

1. Continued focus on Risk Management with a focus on deploying funding to productive sectors namely Specified Sector Lending (SSL)
2. Innovative practices around Risk Participation
3. Prudent management of balance sheet with a focus on low cost funding sources
4. Continue to enhance and innovate products and services, introduce new digital offerings
5. Continue to build an inclusive culture, focus on employee wellbeing and provide platforms for the development opportunities of colleagues

6. CORPORATE GOVERNANCE

1. The **Board** of Standard Chartered Bank Nepal Limited is responsible and accountable to the shareholders and ensures that proper corporate governance standards are maintained.
